

Elior UK Interview Hints & Tips

Relax — these hints and tips will make sure you stay focused before, during, and after the interview. Think of this checklist as your secret weapon for feeling extra prepared and confident.

Before the Interview

• Research the Company

Spend time learning everything you can about Elior. Go beyond our **website** and **LinkedIn**, ask your recruiter, read news releases, and explore multiple sources. Understand our **People Promise**, mission, and **values**.

• Understand the position you're interviewing for

Revisit the job description. Identify the skills and experiences that are emphasised. How do your skills and experience align – note these down.

• Dress appropriately

Choose professional clothing that aligns with the Company culture and the role you have applied for.

• Be prepared to take notes

Whilst not essential a pad of paper and a pen can be an asset when absorbing a lot of information. Any notes you take can come in handy after the interview too.

• Prepare some answers to common interview questions

Indeed have a list of the most commonly asked interview questions [here](#)

During the Interview

- Try to focus on the points you have prepared
- Answer questions using the **STAR** method
- Relax and enjoy the conversation
- Learn what you can about the company
- Ask questions and listen
- At the conclusion, thank the interviewer, and determine the next steps

After the Interview

Thank You

- As soon as possible, write down what you are thinking and feeling
- Later in the day, review what you wrote and assess how you did
- Write an interview thank-you email, reminding the interviewer of your qualities
